

Reception – Remote Learning Plan - Week beg 25/1/21

Please see the below learning activities that you can do with your child at home this day. It is really important that pupils continue to undertake as much daily learning as possible. We therefore recommend that children in Reception class follow the learning opportunities outlined below for the time they are not in the classroom. A range of Maths and Phonics activities will be suggested for your child to access which will be closely linked to the learning that would have been taking place in the classroom this week. We will also suggest a range of practical activities that you can do at home that don't require masses of resources. We will also let you know which pages of your child's home learning books that they can be busy with at home. Please stick to only the pages suggested in this plan each week. You are of course very welcome to take photos of the learning your child has been doing at home and can send them to Mrs Berryman on class dojo.

Monday

Maths

Use your number cards from your pack to do the following:-

*quick number recall and order your number cards across the floor. If your child can do this independently then do it to 15 then to 20.

* Use the number line you have made to jump a teddy /small toy 1 more and 1 less from different numbers. Say aloud '1 more than _ is _' and '1 less than _ is _'.

* Count and match numicon sets pictures to each number.

Remember ! When your sets become bigger, always have the same counting pattern. i.e. count the rows top to bottom or left to right so you don't get mixed up and count something twice.

Phonics

*Watch Phonics with Maddison Phase 2 lesson 19 – 'b' sound on you tube. Please do sit with your child and encourage their understanding. Try the suggested activities again after the program has finished.

Phonics

*cvc picture cards

Game 1 – adult holds and hides the picture card and gives the 3 sounds in the word. Child pushes sounds together and says the word aloud.

Game 2 – Adult shows picture cards and says the word. Child segments(breaks up) the word into its 3 sounds.

Tuesday

Maths

*Finger subtracting – Using our fingers to take away. Practice with lots of written take away calculations. (Start number no bigger than 10) Can you accurately make a set, take away the correct amount and count how many are left?

Remember to use your nose to help you count how many are left.

Phonics

Watch Phonics with Maddison Phase 2 lesson 20 - 'f' sound on you tube. Try the suggested activities again after the program.

Phonics

Cvc word and picture cards

Game 1 – choose 10 picture cards. Adult shows the picture and says the word. Child breaks the word into its 3 sounds. Have the matching word cards ready. Help your child to blend to read the cvc words by pushing the sounds together faster and faster and match to correct picture.

Handwriting

Practice this family of letters today on your whiteboard – r n m p b h

Knowledge of the world

Watch the following videos on you tube about emperor penguins that live in

Handwriting

Use your whiteboard to practice writing your full name using your name card from your pack.
Practice writing the letters we know in formation families. i.e. the ones that start in the same place and your pen goes the same way.
Practice this family of letters today – c o a d g on your whiteboard.

Wednesday

Maths

*More / less – Use your numicom spot set cards from your pack. Show your child 2 cards (within 15)and ask them to decide which has more and which has less. Count together. Were we right? Repeat with other pairs of cards.

*Complete pages 6-7 taking away and 12 and 13 more taking away in your maths book.

Phonics

*Complete pages 32-33 the ‘b’ sound and pages 36-37 the ‘f’ sound in you phonics book 2.
* Spend 20 minutes playing on Lexia with your adult there to encourage you. (Your child’s log in details are in the front of their homework book)

Handwriting

*Use your whiteboard and pen to practice writing your full name using the

Thursday

Maths

*More / less – Use your numicom spot set cards from your pack. Show your child 2 cards (within 15)and ask them to decide which has more and which has less. Count together. Were we right? Repeat with other pairs of cards.

*Make your number line across your table or floor. Can you go to 15? 20? Practice jumping a toy 1 more, 2 more 3 more from different numbers and write out as an add calculation. E.g 6 + 2 more = __.

Phonics

Watch Phonics with Maddison Phase 2 lesson 21 – ‘l’ sound on you tube. Please do sit with your child and encourage their understanding. Try the suggested activities again after the program has finished.

new name card in your pack. Can you write the names of anyone else in your family too?

*practice the correct formation of the letters in this family. l, l, j, t, k.

Understanding the world

Watch 'I'm a penguin informational song' on you tube .

<https://www.bing.com/videos/search?q=penguins+videos+for+kids&ru=%2fvideos%2fsearch%3fq%3dpenguins%2bvideos%2bfor%2bkids%26%26FORM%3dVdVvXX&view=detail&mid=9A5EBD7DA377210E9D9E9A5EBD7DA377210E9D9E&rvsmid=5285255F4362D5F256E55285255F4362D5F256E5&FORM=VDRVRV>

Friday

Phonics

2 games with your cvc words and picture cards.

Game 1 – Blending to read cvc word cards.

Game 2 – use your picture cards - on your whiteboard practice writing and spelling the words to match the pictures.

Phonics

Complete pages 18-19 Starting to spell and pages 26-27 Practicing spelling in your Phonics book 2.

Stories, stories and more stories

How are you getting on with your reading challenge at home? Which challenges could you complete today? Don't forget to take a picture and

Cvc picture cards – help your child to begin to write and spell the sounds to make each word. Try for 6 words.

Phonics

Complete pages 38 – 39 letter 'l' page in your phonics book.

Knowledge of the World

Ice Art – Can you go on a walk around your local area and collect some interesting natural things such as different shaped leaves, flowers, twigs.

Place into a shallow plate or dish and freeze. If you want to hang your art put some string or ribbon in the water before you freeze it. What happened when you take them out the next day? Hold them up to the light?

Should you hang it outside or inside? What will happen in either place?

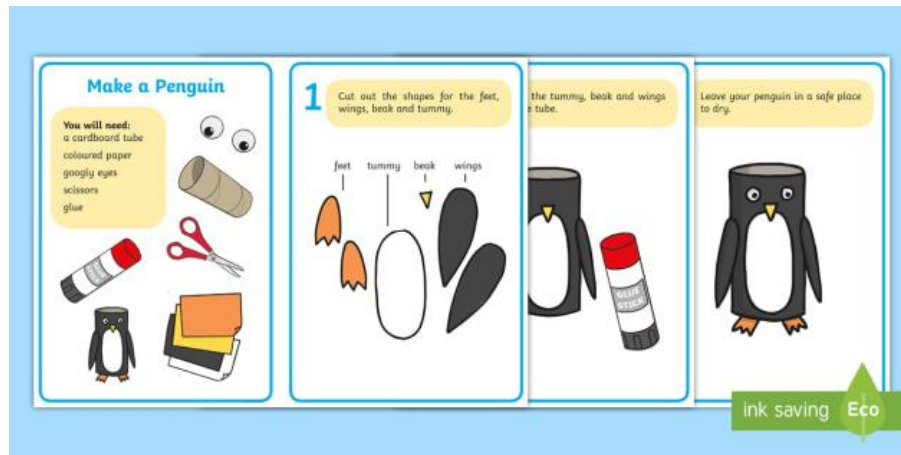

send it to Mrs Berryman telling me which reading challenge you have completed.

Lexia

Spend some time on lexia reading programme. Who can complete level 1?
Who is now onto level 2?

Crafts – Can you make a penguin using a cardboard tube? Or paint a picture of a penguin?

Other ideas of activities, games and on line resources

Practice fine motor skills such as cutting independently with scissors, using a knife and fork, tying your shoe laces.

Play track board games together where children roll a dice and jump on that number of jumps.

Do jigsaws and puzzles.

Make some play dough together to play with, bake some biscuits or cakes. Use the rolling pin, spoons for mixing etc.

Phonics games on Twinkl Go – free to sign up and no child log in needed. Level 2 phonics game show.

<https://www.twinkl.co.uk/resource/tg-ga-156-level-2-phonics-game-show>

Do some online exercise – dancing, Jump Start Jonny, Jo Wickes.

<https://www.jumpstartjonny.co.uk/free-stuff>

Look at the Cbeebies website for fun activities to do together.

<https://www.bbc.co.uk/cbeebies/games>

Number Blocks programmes and games on cbeebies are good.

Lots of fun number games to play here...
