

Nursery's Remote Learning Plan- 25.1.21

	Something to read ...	Something to make ...	Something to sing	Something to count ...
<p>What will my child be learning?</p>	<p>I can join in with my favourite stories and guess what will happen next.</p> <p>I know that stories have beginnings and endings and sometimes I guess how the story will end.</p> <p>I can listen to longer stories and talk about them.</p> <p>I can talk about the places and people in stories and the important things that are happening.</p> <p>I like to look at the pictures and words in books. I can show you words when we are outdoors.</p>	<p>I can use all sorts of building toys and empty cardboard boxes to make things.</p> <p>I make lines and piles of blocks, joining the pieces together to make things like houses and car parks.</p> <p>I know that I can use tools like scissors, spoons and hammers to do different things.</p>	<p>I can sing some familiar songs.</p> <p>I like joining in with dancing and ring games.</p> <p>I am beginning to move with rhythm, especially when I hear music I like.</p>	<p>I can use some number names and words like "more than" and "fewer than", when I am playing.</p> <p>I can say numbers in order from 1 to 10.</p> <p>I know that numbers tell me how many things there are altogether, like 8 biscuits on a plate.</p>
<p>Magic Maths Monday</p>	<p>Read 'Whatever Next' by Jill Murphy.</p>  <p>https://youtu.be/6c5cb0u0rPM</p>	 <p>Have a go at making your own rocket. Could you use the letters in your name like the picture above? Or maybe write numbers 0-5?</p>	<p>https://www.bbc.co.uk/teach/school-radio/primary-school-songs-eyfs-ks1-rocket-into-space/zfdfy9q</p> <p>click on the link above to watch and learn the 'Rocket into space' song.</p>	<p>Can you go on a number hunt today? If the weather doesn't allow for a hunt outside then can you search around your house for numbers 1-10. The kitchen is a great place to start. Food packets/ tins/ measuring jugs. Then try the living room. What numbers can you find on the remote control?</p>

<p>Terrific Talkers Tuesday</p>	<p>Today's new sound is 'T'. Please watch the youtube clip below which introduces the letter. Then talk to your child about the sound. Can they find any objects around the house that begins with 't'? Can they have a go at writing it?</p>  <p>https://youtu.be/MTmPaRrKExc</p>	<p>In yesterday's story, Baby Bear goes 'Whoosh!' out into the night. Can you think of other words to describe how something can travel quickly (or slowly)?</p> <p>Use the rocket you made yesterday and say as many 'whoosh' words as you can think of.</p>	<p>https://youtu.be/UVd8yodY8Ps</p> <p>Click on the link above to watch and sing along to '5 Current Buns'. The children love to sing this in nursery. We act it out using pretend current buns and real money. Do you have any props at home to help you act this out?</p>	<p>Make a shopping list that includes items you might need for a picnic on the moon. How many things have you thought of? If everything cost one penny, how many penny's would you need? Ask your grown up if they have some real penny's that you could count out.</p> 
<p>World Around Us Wednesday</p>	<p>Another Tony Mitton and Ant Parker book. This time it's 'Roaring Rockets'. Can you look out for the rhyming words?</p>  <p>https://youtu.be/ko306WcHRns</p>	 <p>https://youtu.be/NXrLPIxhYBY</p> <p>Watch this cool homemade rocket experiment above. If you have all the equipment needed then have a go and remember to record it! If not don't worry, just have a good chat about how it works. What's making the rocket move?</p>	<p>https://www.bbc.co.uk/teach/school-radio/primary-school-songs-5-little-men-in-a-flying-saucer/zmm4gwx</p> <p>click on the link to watch and learn '5 little men in a flying saucer'.</p>	<p>https://www.bbc.co.uk/games/embed/education-ivor-starting-school?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzd4b382</p> <p>Click on the link to play Buds garden number game.</p>

Think about..... Thursday

Today the sound is 'p'. Please watch the youtube clip below which introduces the letter. Then talk to your child about the sound. Can they find any objects around the house that begins with 'p'? Can they have a go at writing it?

https://youtu.be/g84Cua_b8rg

In Mondays story 'Whatever Next', Baby bear took a picnic with him.

"There's nobody here," said Baby Bear. "There are no trees," said the owl. "It's a bit boring," said Baby Bear. "Shall we have a picnic?" "What a good idea," said the owl.

Can you make your own picnic today? It might be for lunch or it might just be a snack. Is it healthy? Which foods are healthy and which ones are only good sometimes? I look forward to seeing your picnic pictures.

Sing 'wheels on the bus'. Can you remember the game you played the week before last when you had to add your own ppl and actions? Have another go!

<https://www.topmarks.co.uk/learning-to-count/teddy-numbers>

Click on the link to have a go at this online counting game. If your child is confident at recognising numbers to 10 the select numbers to 10 or 15. If your child still needs to consolidate numbers to 5 then click on 0-5.

Fabulous Fine motor Friday

Today's story is called 'If I were an Astronaut'. Click on the link to see a real life astronaut reading it FROM SPACE!!!

<https://youtu.be/9wV8yw7iV8w>

Join me at 10am again for another dough disco!

Sing 'Tommy Thumb' or 'One little Finger' and get those busy fingers working!

<https://youtu.be/eBVqcTEC3zQ>

Create a surface for your child to practice mark making such as shaving foam, sand, lentils, rice. Can they use their finger to write their name? form numbers?
