Meeting national curriculum requirements for swimming and water safety

Please complete all of the below:

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?

N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes/No

It is unfortunately impossible to provide figures for swimming for this cohort of students for 20-21. The impact of lockdown and then the subsequent closure of our local pool made swimming impossible to provide this academic year. We have worked closely with the local authority to put an intensive support package in place for children in our school in Autumn 21.
