

PE Curriculum School Development Plan

Subject - P.E.

Leader - S Berryman

Successes in the subject 2016-17

*Good coverage of National Curriculum requirements through a range of planned lessons taught by all class teachers, Chloe Fletcher, Newcastle United, Premier Sport.

*Range of after school clubs offered to both Key Stage 1 and 2 children covering a range of team and individual sports such as football, fitness, aerobics, gymnastics, outdoor games, archery. These have been provided by NUFC, Premier Sport and Chloe Fletcher.

*High quality PE sessions taught by Chloe Fletcher in KS2 across the year and in EYFS during Summer term. This has led to the fantastic partnership we have in place for this school year 2017/18.

*Children in Key Stage 1 and 2 class have all had the opportunity to take part in at least 1 city wide competition over the year. Many classes have also attended Healthy Active Lifestyles events ran by Chloe Fletcher for the Newcastle Sports partnership.

*We took part in the city wide Dance festival again this year and a team of children worked alongside Chloe Fletcher during after school club nights to put together a routine and then performed it at the dance festival alongside other schools and parents.

*Year 3 and 4 children worked with Falcons Rugby over a number of weeks in school and then attended and took part in a tournament at the Falcons ground.

*Swimming has continued in KS2 to give all children the opportunity to learn this lifesaving skill and swim 25 metres.

Actions and Impacts to be implemented this year to progress PE further.

See PE School Sport Action Plan 2017/18 for more information.

Actions / Impacts in short...

*Ensure continuing CPD for all teachers by team teaching alongside Chloe Fletcher each fortnight. Staff will then follow up with their own lesson that moves the learning forward.

*Updated curriculum coverage map devised by PE Lead and Chloe Fletcher to ensure that fundamental movement skills are at the heart of all lessons.

*PE intervention programme – all children to be assessed early in Autumn term for their fundamental movement ability. Booster sessions will then be provided by Chloe Fletcher for those children not reaching expected levels.

*Whole school PE twilight led by Chloe Fletcher ensuring staff feel confident in linking fundamental movement to a range of physical activities.

*Staff will have access to a wide range of Newcastle Sports partnership training courses and

increased PE funding can pay for this to happen.

*Engage in local school games programme so that children have more opportunities to compete against other schools in a range of sports. This will enable us to apply for Sainsburys School games Silver award. (Bronze achieved in 2015/6)

*Provide a bigger range of extra curriculum physical activity opportunities for all children. 2 breakfast clubs, 2 after school clubs per week based around participation and leading healthy lifestyles alongside sporting opportunities linked to city competitions which will give children a pathway to compete.

*All classes to attend a Healthy Active Lifestyle festival. Outcomes are health related and designed to inspire lifelong participation in physical activity.

*Attendance at Newcastle Schools Dance Festival.

*Swimming to continue in KS2.

*Playground leader training so children in year 5 can be trained to lead games and activities with younger children on the yards at lunchtimes.

*A range of Interventions in place across the year to support less active groups of children. i.e vulnerable girls, eal children, pupil premium, poor attenders. Chloe Fletcher to work alongside Kay Dixon to identify children most in need.

Resources already in school and what we could need in future.

We have a good range of PE equipment for staff to use in delivery of PE lessons. However, Chloe Fletcher intends to let us know when equipment needs to be replaced or when she needs something we don't have. The increased PE budget should allow us to do this.

Monitoring

Time for SB to monitor lessons that staff teach in the weeks after they have been taught alongside Chloe Fletcher.

Time to allow SB to meet with Chloe Fletcher to plan upcoming curriculum, timetables and events to attend.

Staff confidence questionnaires .
