

Year 1/2 Weekly Homework: Week Beginning Monday 27th April 2020

Topic: I wonder...

Your home learning is your choice! There are 9 challenges to choose from below. Please try and complete 6 challenges this week.

A new home learning challenge grid will be uploaded each week.

Have a fun week and please remember to send photos or videos of the tasks that you complete each day to Class Dojo. Thank you!

Challenge 1: Science

Further information will be sent on Class Dojo on 28.4.20

Challenge 2: Geography

The world is made up from seven continents and 5 seas.

Complete this lesson on the Oak National Academy's website to learn about what a continent is:

<https://www.thenational.academy/year-1/foundation/what-is-a-continent-year-1-wk1-1/>

What country do we live in? What **continent** do we live in? With your grown-up, use a map to find the names of other countries in Europe.

Challenge 3: PSHE

Last week we thought about the challenging goal that Captain Tom set for himself to achieve.

Have you been inspired by Captain Tom? This week, I'd like you to set a challenging goal for yourself, tell me what it is and send photos of you beginning your challenge. It could be anything that you would like to achieve! (This will be a personal goal, not one that is asking for sponsorship.)

Challenge 4: English

Please continue to follow daily lessons for Literacy on BBC Bitesize.

Please click on your child's year group and choose the English lesson for each day.

Challenge 5: Phonics/Reading

Continue to use [www.Lexiacore5.com](https://www.lexiacore5.com) to read for at least 15 minutes each day.

Can you progress to the next level this week?

Reading is the key to success in all curriculum areas.

Challenge 6: Maths

Please continue to use the White Rose Maths online resources for daily Maths lessons.

Please click on the link for the year group that your child is in to find these:

Challenge 7: Computing

At the moment, we are using online resources a lot. Please watch these short videos with your child/children to help them to understand when to ask for help from an adult and about the important rules for staying safe online.

Challenge 8: PE

Try to stay active every day for at least 60 minutes.

This is a 25 minute workout:

You might want to begin with 5 minutes on Monday, 10 minutes on Tuesday, 15 minutes on Wednesday, 20 minutes on Thursday and hopefully you will be able to complete the full 25 minutes on Friday! You might even complete the full 25 minutes every day!

Challenge 9: History/Art

Last week, you looked at what your house looked like from the outside. This week I'd like you to create a model of your house, using junk materials.

Further ideas will be shared on class Dojo on 27.4.20.
