

Remote Learning Year 2

It is really important that pupils continue to undertake as much of their normal school work as possible so they don't fall behind. We therefore recommend that children follow this timetable. If your child does not have access to a device for online learning school will arrange for work packs to be collected/delivered. Notes and activities should be recorded in your child's Home Learning book. This book will need to be brought back to school when your child returns. Communication can be made via Class Dojo.
