

**Year 3 4 Weekly Homework (Week commencing Monday 4<sup>th</sup> May)**

Remember to send evidence of your work (either in a message/photo/video) to the class dojo on the portfolio or on message. Also feel free to email me this instead if you can't get onto class dojo at [Sarah.balmer@simonside.newcastle.sch.uk](mailto:Sarah.balmer@simonside.newcastle.sch.uk)

Your homework is your choice! There are 9 challenges to choose from below. Please try and complete 6 challenges this week. Also remember to check for the extra dojo challenge

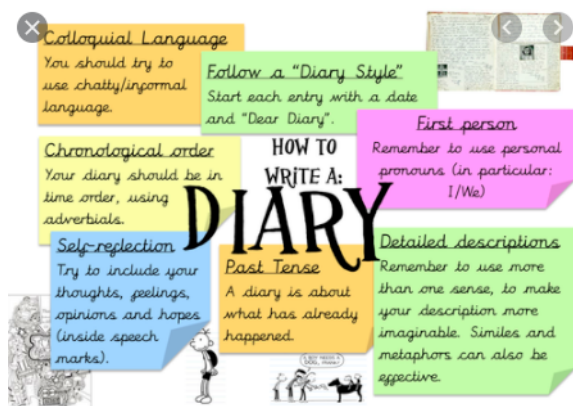

**Challenge 1-**

Watch the following clip

<https://www.literacyshed.com/thewaybackhome.html>

Can you write a diary entry / recount of the adventure as if you are the boy from the short film

**Challenge 2- Maths problems**

**Counting Beads Challenge**

Abbie had between 30 and 50 beads.  
She counted the beads in fours and had 2 left over.

She counted them in fives  
and had 1 left over.

How many beads did Abbie have?

**Challenge 3 – Science**

Use this link to find out about how reactions power rockets

<https://www.bbc.co.uk/bitesize/topics/zdrrd2p/articles/zxk7tyc>

Find out some information about how rockets actually work  
Examples of rockets  
What life is like in a rocket  
Draw a diagram to help you explain how a rocket works or what it is like during takeoff.

#### **Challenge 4- History research project**

Last week you were asked to find out some information and facts about the Anglo Saxons!

This week I would like you to use those facts and either:

- Record a video (news report) telling your audience all about the Anglo Saxons
- Spend some time telling someone in your family your facts about the Anglo Saxons.
- Create a newspaper report about the Anglo Saxons

#### **Challenge 5- History**

<https://www.dkfindout.com/uk/history/anglo-saxons/anglo-saxon-jewellery/>

Use the following link and any other information you can about Anglo Saxon brooches!

Use this information to design some traditional Anglo Saxon Brooches.

#### **Challenge 6**

<https://www.literacyshed.com/thewaybackhome.html>

Following the theme of 'The way back home' and space

Can you design a rocket- making sure you label each part of the rocket and tell me why you have

and you have the resources you could use anything you have to make a rocket model- The more creative the better!

### Challenge 7

#### ICT challenges

<https://www.youtube.com/user/musichandsUK>

Music hands have created lessons which will teach you how to create music using the garage band app (Apple) !

[https://www.thinkuknow.co.uk/8\\_10/stay-safe/play/](https://www.thinkuknow.co.uk/8_10/stay-safe/play/)

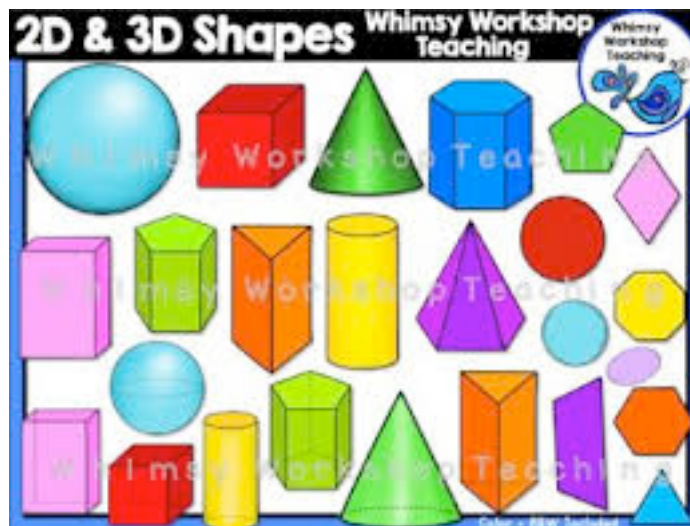

Have a look at the think you know website and create an internet safety poster!

Remember to make use of the purple mash 2email, ttrs, mathletics and bug club!

### Challenge 8

Remember to keep practicing your times tables as well as trying to push yourselves with the challenges

For challenge 8 I would like you to tell me all you know about 'shape'

You can represent all you know in any way you like.

I want to see how much you already know about different types of shapes. Any properties you know, names, types, any real life examples of shapes.

### Challenge 9

I know that we love our active challenges so why don't you give it a go and see if you can beat some of these athletes! Remember to let me know how you have gotten on

<https://news.nike.com/news/nike-living-room-cup>

Put your dance moves to the test and try a Just dance routine from youtube!

[https://www.youtube.com/results?search\\_query=just+dance](https://www.youtube.com/results?search_query=just+dance)

Also if you have a fitbit or even a smart phone you can download the strava app for free and map your walks! This can be a fun thing to do as a family! I am looking forward to seeing all of your videos or pictures of this challenge
