

Year 5 Weekly Homework – WB 29th June

Topic: Weather

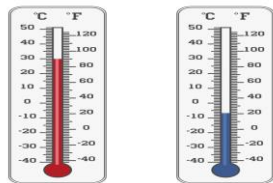

I have been inspired by the gorgeous sunshine so this week's main theme is the weather! There are 9 challenges to choose from below. Please try and complete 6 challenges this week. If you are not currently connected to Class Dojo and would like your connection details, please send an email to admin@simonside.newcastle.sch.uk and we will be able to get you connected.

Challenge 1

Maths

- A. Find out what time the sun rises and the sun sets. Write down these times for 3 days. Are the times always the same?**
- B. Keep a weather record of the highest and lowest temperatures for 3 days. Then answer the following questions.**

1. What was the highest temperature recorded?
2. What was the lowest temperature recorded?
3. What is the difference between the highest and lowest temperature?

Challenge 2

Music

Research a famous composer and create a fact file and include information about the life and work of the composer. You could listen to some of their music.

Challenge 3

Literacy

Write a paragraph to describe the picture below. Use as much descriptive language as you can – adjectives, metaphors and similes.

Challenge 4

Geography

When can our weather be dangerous?

Find a news story about the weather and how it has affected the people. Rewrite the story in your own words.

Challenge 5

Keeping Safe

Find out how to stay safe during dangerous weather conditions e.g. a lightning storm or an earthquake. Make a poster to show people what they should and should not do.

Challenge 6

Design and Technology/Science

Design an outfit suitable for a particular type of weather. Note what each item of clothing is, what it could be made of and why it is suitable to wear. Think about the materials you would use.

Challenge 7

Design and Technology

Create a menu for a summer picnic. What would you eat and where would you eat it? Present your menu as creatively as you can.

Challenge 8

Art and Design

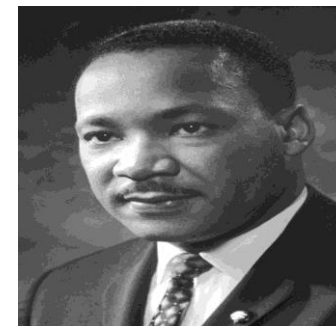

Make a seasons picture that shows how a scene can change throughout our four seasons of Spring, Summer, Autumn and Winter.

Challenge 9

PSHE

Martin Luther King Jr is an extremely important figure in history. Can you produce a fact file about this influential man?

I have left the link below to the Y5 White Rose Maths Hub Home Learning Page, if your child would like to complete any of the lessons. For each lesson, there is a video to watch and an activity to complete (the answers are also available). It is not necessary to print out the activity sheet as the answers can be completed on a piece of paper. Remember your child does not need to complete every lesson; these are just additional resources if required.
