

## Reception – Week beg 4<sup>th</sup> May - school closure activity ideas to try at home.

Hi everyone,

Here are some activities that your child can be doing at home this week. The blue links below are from the twinkl website. (Go to [twinklhq.twinkl.co.uk/offer](https://www.twinkl.co.uk/offer) and enter CVDTWINKLHELPS or if you are viewing this from the website, the links below should take you straight to the correct places.) Don't worry if you don't have a printer. These links are to simply give you the ideas. Some parents are devising their own activities from these links and that is great too.

As we are not in school and using our usual reward system, we will be giving dojo points out as rewards for children whose parents send photos of them doing some of the activities mentioned below. This will continue until we are back at school when we will return to our usual system. There will be a prize for the child with the most dojo points so get sending me those photos mams!

Please also remember Lexia is a fantastic resource to support phonics and literacy skills. Please do encourage your child to use it! Well done to those children who have completed levels and I have sent your certificates to you. Dojo points for this too!

Don't forget the Bug club log in details that were also in your child's pack. There are lots of books to read on there pitched at your child's level of reading.

Don't forget to stay in touch on class dojo. Take care everyone. Mrs B x
