

Year 5 Weekly Homework – WB 27th April

Topic: The Stone Age

Our new topic for this term would have been The Stone Age so this will be our theme for the next couple of weeks. There are 9 challenges to choose from below. Please try and complete 6 challenges this week.

<u>Challenge 1</u>	<u>Challenge 2</u>	<u>Challenge 3</u>
<p><u>Maths</u></p> <p>The maths factor is a Primary Maths homework site that was created by Carol Vorderman. For the duration of the school closure, you can currently register and use the site for free. It may take a couple of days for login details to be emailed to you but once you are up and running, you will be able to practice the areas of maths that you find the most challenging, as often as you want. Please let me know if you have any questions about this.</p> <p>https://www.themathsfactor.com/</p>	<p>Here are some additional Science activities which can be carried out at home.</p> <p>https://www.stem.org.uk/sites/default/files/pages/downloads/Starters%20for%20STEM%202.pdf</p>	<p>Practise your coding with this wonderful online activity. Just click on the link below.</p> <p>https://www.bt.com/codecake</p> <p>(This website has lots of lovely activities so please feel free to have a look and try any of the activities.)</p>

Challenge 4

Find out which animals lived in Prehistoric Britain.
Draw a picture of one or more of these animals
and write down some facts about them.

Use this web link to help you.

<https://www.bbc.co.uk/bitesize/topics/z82hsbk/articles/z34djxs>

Challenge 5

Use the below link to find out as much as you can about prehistoric Britain.
Produce your own information sheet.

<https://www.bbc.co.uk/bitesize/topics/z82hsbk/articles/zpny34j>

Challenge 6

Skara Brae is an old Stone Age settlement which is located on the Orkney Islands.
Carry out some research about the settlement and write down at least 5 facts.

Challenge 7

Imagine you can go back in time to the Stone Age. You can take one piece of modern technology. What would you take and why?

Challenge 8

Use the below picture to help you to continue this story.

She had been walking all day. Her feet hurt and her bones ached, but it would all be worth it: she was almost there.

The path rose up in front of her, twisting through the mist like a snake squeezing its prey. Were the stories all true? Did the path truly lead where she had been told? If it did, this was only just the beginning of her journey...

Challenge 9

Create an acrostic poem using the word Stone Age. Remember for each letter you need to think of a word linked to the Stone Age.

E.g.

Stonehenge

Tools

Ochre

N

E

A

G

E

See if you can continue the poem. Use some of the links I have provided to find information about the Stone Age.

I have left the link below to the Y5 White Rose Maths Hub Home Learning Page, if your child would like to complete any of the lessons. For each lesson, there is a video to watch and an activity to complete (the answers are also available). It is not necessary to print out the activity sheet as the answers can be completed on a piece of paper. Remember your child does not need to complete every lesson; these are just additional resources if required.
