

Year 4 Weekly Homework – Week 3

Topic: Comparison of France and the UK

Your homework is your choice! There are 9 challenges to choose from below. Please try and complete 6 challenges this week.

<p style="text-align: center;"><u>Challenge 1 (Literacy)</u></p> <p>Look at the sentences below. Each one is missing inverted commas. Insert inverted commas around the direct speech in the sentences.</p> <ol style="list-style-type: none"> I'm a gum chewer normally shouted Violet. Everlasting gobstoppers are completely new! cried Mr Wonka. Veruca shouted, I don't want any old squirrel, I want a trained squirrel! Do you love this chocolate factory? asked Mr Wonka. Did you know Mr Wonka has created more than 200 kinds of chocolate? questioned Grandpa Joe. 	<p style="text-align: center;"><u>Challenge 2 (Art)</u></p> <p>We have been learning about the artist Georges Seurat. He used to create all of his paintings using a technique called 'pointillism'.</p> <p>Draw an image (it could be a French landmark or an underwater scene for example!) and use pens/paint/recycled materials to create your own Seurat inspired artwork.</p> <div style="display: flex; justify-content: space-around;">    </div>	<p style="text-align: center;"><u>Challenge 3 (Maths)</u></p> <p style="text-align: center;"><u>Card Challenge</u></p> <p>Maurice the Magician has chosen four different cards that add up to 20. There is a number from 1 to 8 on each card. What are they?</p> <p>There are seven different possibilities. Try to find them all.</p> <div style="display: flex; align-items: center;">   </div> <p>What if Maurice has three cards that add up to 16?</p>
<p style="text-align: center;"><u>Challenge 4 (Geography)</u></p> <p style="text-align: center;">Newcastle Tourism</p> <p>If someone was to visit Newcastle, where would you encourage them to visit? Make a travel guide promoting where they should go, what they should do and what they could visit. Think back to the research we did on some important human and physical features of Newcastle.</p>	<p style="text-align: center;"><u>Challenge 5 (Maths)</u></p> <p>The detective dog looked for a number. He found a two-digit number less than 50. The sum of its digits was 12. Their difference was 4.</p> <p>What number did Dan find? The detective dog then found a two-digit odd number. One of its digits was half the other. The number was greater than 50. What number did he find?</p> 	<p style="text-align: center;"><u>Challenge 6 (Science)</u></p> <p>Earlier in the year we learnt about teeth. Create a 'healthy teeth' poster. Describe on your poster how you keep teeth healthy, what we need our teeth for and why we have different teeth in our mouth.</p> 
<p style="text-align: center;"><u>Challenge 7 (SPaG)</u></p> <p>How would you correct these sentences?</p> <ol style="list-style-type: none"> We was going to the airport. If we was not at school, I'd play in the back garden. Lily were with her friends. I were at Noah's house. We seen you yesterday. He rided his bicycle down the hill. Has you finished yet? I would of come if I could. My brother teached me how to ride my bike. 	<p style="text-align: center;"><u>Challenge 8 (P.E.)</u></p> <p>Attempt either Mr Danquah or Oti's workout/dance sessions 5x a week. Go to 'Byker Primary PE' youtube channel for Mr Danquah and Oti Mabuse Official youtube channel at 11:30 for dance routines.</p> <div style="display: flex;">   </div>	<p style="text-align: center;"><u>Challenge 9 (Geography)</u></p> <p>We have already researched typical French food in Year 4. To extend our knowledge of French food use this website: https://www.kids-world-travel-guide.com/food-in-france.html</p> <p>Task: Write a three course menu for a French restaurant. See if you can include at least three options for a starter, main course and dessert. You could also decorate/illustrate your menu and even add prices! (Remember French currency is Euros)</p> <p>Extension: Design your own restaurant to build in your local area. What would it look like? Where would you build it? Is it just a French restaurant or does it cater for other tastes too?</p>
