

Year 2 Weekly Homework 3

Topic: I wonder...

Your home learning is your choice! There are 9 challenges to choose from below. Please try and complete 6 challenges this week.

Challenge 1

Go on a shape hunt around your house or on your daily form of exercise. What shapes can you see in different items? Record your findings.

Challenge 2

<https://www.pobble365.com/a-mysterious-shadow/>

Use the link above for the Pobble365 website.  
Can you write a story about who's shadow it is?  
What is in the shed?  
What happens when it is opened?

Challenge 3

[www.lexiacore5.com](http://www.lexiacore5.com)

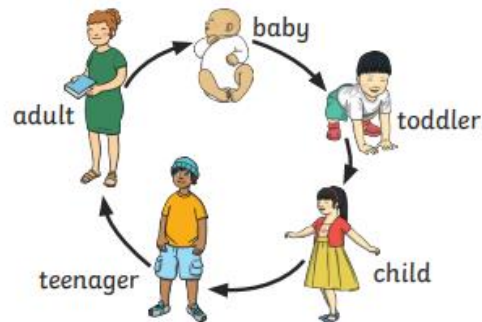

Spend at least 20 minutes on Lexia to practice reading.

<https://www.activelearnprimary.co.uk/login?e=-1&c=0#bugclub>

Use Bug Club to read texts and answer the questions.

Challenge 4

This is a human life cycle. A life cycle is the changes living things go through to become an adult.

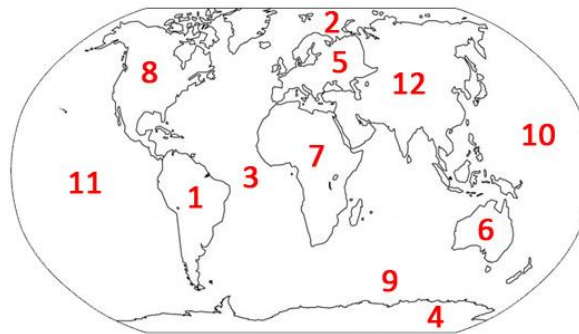

Can you find pictures of when you were younger (baby, toddler, now) and explore how you have changed?  
This may work better if you do it for an adult in your house as well. How do humans change as they go through the life cycle?

Share pictures on Dojo!

Challenge 5

There are 7 continents and 5 oceans that make up our world. Can you remember or find out what they are?

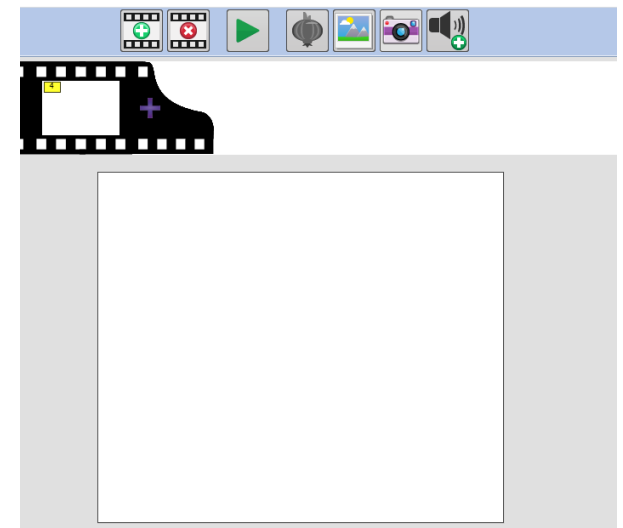

Look at the shapes of the continents so you can recognise them.  
Look at which ones are near each other.  
Look for continents and oceans songs on YouTube to help you remember.

Get an adult to quiz you.

Challenge 6

Our next ICT unit is about animation. Log into Purple Mash and type "2animate" into the search box. Launch the 2animate app and explore the programme. What animation can you create? Save it to your folder and I will be able to see it.

### Challenge 7

Join Joe Wicks every day at 9am or tune in later to complete his daily workout on his YouTube channel.

Share videos and pictures on Dojo!

### Challenge 8

Learn the lyrics of a song that you are enjoying listening to at the moment.

Can you spot which part is the chorus and which parts are the verses?

Can you clap out the rhythm if possible?

Post a video of you singing or dancing to the song if you feel confident!

### Challenge 9

When the sun is shining grab some paper and some toys and draw around their shadows.

What happens if you do it again later in the day?  
Do you know why?
