

Year 4 Weekly Homework – Week 14

Topic – Transition

If you are not currently connected to Class Dojo and would like your connection details, please send an email to admin@simonside.newcastle.sch.uk and we will get you connected.

Challenge 1

Starting a new academic year is a time to say farewell to your current teachers and say hello to a few new faces. It is important that you cherish your favourite moments of the year.

Create a drawing or art piece of your special memory from Year 4 and frame it in a hand-made photo frame.

You may choose to draw a favourite lesson, a funny moment with friends, a school trip or a role in school you were proud of. Here are some good photo frame ideas: <https://safeyoutube.net/w/DegE>

Challenge 2

Every child is unique and special. Over the course of the year, you will have achieved so much e.g. learning your times tables or having the confidence to put your hand up in class to share answers.

Mind map all of your achievements this year, both inside and outside of school. Which one was your greatest achievement? How did you accomplish this? How did you get over any barriers?

Challenge 3

Ending the academic year can be a time that is full of mixed emotions. A new academic year can be a great time to make new friends. Create a poster that illustrates top tips for making friends and showing kindness.

Challenge 4

Art can be a great tool for self-exploration and self-expression. Create a piece of artwork which represents your personality and highlights your individual qualities. This could be a picture or something more abstract using materials available at home.

Challenge 5

Setting goals is an excellent way to try and achieve things that you might not think is possible. Goal setting will also help to improve your confidence and self-esteem.

Create a 'wheel of fortune'. Use the headings: learning, friendships, physical challenge, wellbeing and family. Under each heading write a goal thinking carefully about how long it will take to achieve each goal.

Challenge 6

Complete the questions linked to Sun Safety. The text and questions can be found here:
