

Remote Learning Year 4

It is really important that pupils continue to undertake as much of their normal school work as possible so they don't fall behind. We therefore recommend that children follow this timetable. Notes and activities should be recorded in your child's Home Learning book and also uploaded to their class dojo portfolio or sent in a message to the class teacher. I will be recording some of the same lessons and some additional ones to upload to class dojo, which will run alongside this timetable.
