

Nursery's Remote Learning Plan- 8.2.21

	Something to read ...	Something to make ...	Something to sing	Something to count ...
<p>What will my child be learning?</p>	<p>I can join in with my favourite stories and guess what will happen next.</p> <p>I know that stories have beginnings and endings and sometimes I guess how the story will end.</p> <p>I can listen to longer stories and talk about them.</p> <p>I can talk about the places and people in stories and the important things that are happening.</p> <p>I like to look at the pictures and words in books. I can show you words when we are outdoors.</p>	<p>I can use all sorts of building toys and empty cardboard boxes to make things.</p> <p>I make lines and piles of blocks, joining the pieces together to make things like houses and car parks.</p> <p>I know that I can use tools like scissors, spoons and hammers to do different things.</p>	<p>I can sing some familiar songs.</p> <p>I like joining in with dancing and ring games.</p> <p>I am beginning to move with rhythm, especially when I hear music I like.</p>	<p>I can use some number names and words like "more than" and "fewer than", when I am playing.</p> <p>I can say numbers in order from 1 to 10.</p> <p>I know that numbers tell me how many things there are altogether, like 8 biscuits on a plate.</p>
<p>Magic Maths Monday</p>	<p>This week we will be celebrating Chinese New Year which is on Friday 12th Feb. Listen to this story. Does it remind you of any celebrations that you and your family celebrate? What's the same? What's different?</p>  <p>https://youtu.be/iGghkuEMZ18</p>	<p>Have a go at making your own Chinese numerals 1-5. Black paint on red or white card/ paper is effective. Otherwise just use pens/ pencils/ whatever you have.</p> 	<p>Sing 'The Wheels on the Bus go Round'.</p> 	<p>Make some sets using toys/ any small objects around the house, to match to your Chinese numerals.</p> <p>Why do Chinese numerals 1-3 help us when making a set of objects to match?</p>

Terrific Talkers Tuesday

Today's new sound is 'm'. Please watch the youtube clip below which introduces the letter. Then talk to your child about the sound. Can they find any objects around the house that begins with 'm'? Can they have a go at writing it?

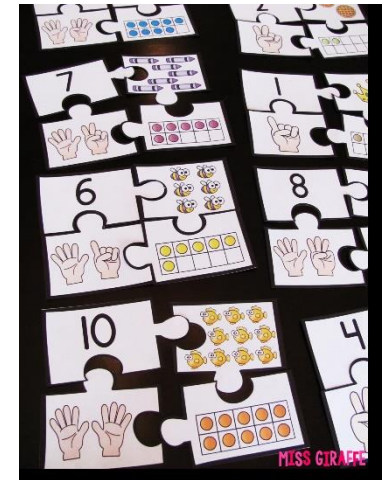

<https://youtu.be/spwRyCnT1mQ>

Chinese people make lanterns and hang them around their homes to as decoration in preparation Chinese New Year. Have a go at making your own.

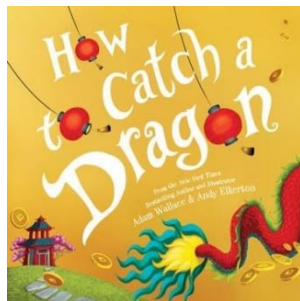

Sing a selection of your child's favourite nursery rhymes. Are there any household objects you could use as props.

Using whichever numbers your child is working on 0-5/ 5/10 or 10/15, have a go at making a number jigsaw for each of the 5 numerals.

World Around Us Wednesday

Today's story is 'How to Catch a Dragon' by Adam Wallace.

<https://youtu.be/XPmmSTfLuEI>

Have a go at making your own dragon. Here are a few ideas:

cupcake cases

paper chains

https://youtu.be/IQzLfUv_2xk

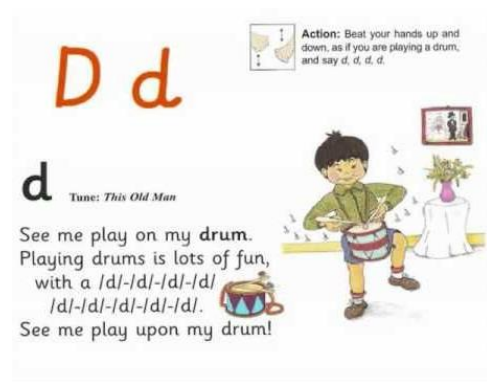

Have a listen to the Chinese New Year song.

<https://www.topmarks.co.uk/learning-to-count/teddy-numbers>

click on the link to play the Counting Teddies game. Select the numbers that your child is working on.

Think about.....
Thursday

Today the sound is 'd'. Please watch the youtube clip below which introduces the letter. Then talk to your child about the sound. Can they find any objects around the house that begins with 'd'? Can they have a go at writing it?

<https://youtu.be/xNDgRMBrXC0>

As our new sound today is 'd' can you have a go at making your own Chinese 'd'rum. Here are some examples:

Sing a pop song! Put some of your favourite music on, play your Chinese drum and dance like no-ones watching!!

Use your number flash cards to play 'number thief'. Can you spot the missing number? Take turns and remember to close your eyes!

Fabulous
Fine motor
Friday

Watch this Cbeebies story explaining the Zodiac story of Chinese New Year.

https://youtu.be/eVClAj8q_IY

Join me at 10am again for another dough disco!

Sing 'Tommy Thumb' or 'One little Finger' and get those busy fingers working!

<https://youtu.be/eB VqcTEC3zQ>

<https://www.ictgames.com/mobilePage/homeTimeLadybirds/>

click on the link to play the come home ladybird game. Can you count the spots on each ladybird and match them to the house number.
