

Remote Learning Year 4

It is really important that pupils continue to undertake as much of their normal school work as possible so they don't fall behind. We therefore recommend that children follow this timetable. Notes and activities should be recorded in your child's Home Learning book and also uploaded to their class dojo portfolio or sent in a message to the class teacher. I will be recording some of the same lessons and some additional ones to upload to class dojo, which will run alongside this timetable.

Alongside this timetable please find the linked resources, which you may want to explore to support world book day! These are located at the end of the document.

Week commencing: Monday 1st March

Questions to ask about Reading

What words tell you how the character is feeling?

How might you solve the problem of the character in your story?

Would you have done something different?

Can you explain what happened in each chapter using only one or two sentences?

Is this book one of your favourites?

Is this one of your favourite authors?

Can you explain your answers?

What do you think will happen next? Can you explain why you think that? (Encourage them to use clues in the text)

Can you talk about what you did and did not like about the story and explain why you feel that way?
