

## Year 3 Weekly Homework (Week commencing Monday 18th May 2020)

*There are 9 challenges to choose from below. Please try and complete as many as you can.*

### Level 1

Become a wildlife expert.

Snap some photographs of wildlife in your garden or nearby and research the wildlife you found.

*The more obscure the better!*

Level 1 = 5 House points

### Level 2

*Following on from last weeks 'nutrition' for humans work, do the following:*

- A. Write a list of animals
- B. What do they eat to survive?
- C. Where do they get their food from?
- D. How have they 'adapted' for their ability to hunt for food and survive? (looking at skeletons and muscles)

Level 2 = 10 House Points

### Level 3

Go on a local hike. Explore somewhere you may have not been before then:

1. Sketch a map of the area
2. What impact have humans had on this area?
3. Gather information on the area from 'exploration' or the internet.
4. Design a map for this place using your computer. (*Paint / Minecraft*)

Level 3 = 15 House points

### Level 1

Get funky and make some chalk art outside in the beautiful weather.

**SIDEWALK CHALK GAMES**  
http://www.todaysparent.com

Level 1 - 5 House Points

### Level 2

Make you funky chalk art into a River of Maths questions.

What's the hardest questions you can answer?

Level 2 - 10 House Points

### Level 3

#### Outdoor maths station

When you're out on your explorations, collect sticks, pinecones and other objects that you could use to make an outdoor (or indoor) Maths station.

Sticks could be worth 10, pebbles 5, leaves 2.

Get into role selling the objects to the family you live with, working out how many of each object would cost.

For example; 10 sticks = 100.

Level 3 - 20 House Points

### Level 1

**Using lego and dry wipe pens,  
write list of adjectives, nouns and  
conjunctions.**

*(Remember to remove the pen after use  
and before they dry out too much)*

Try making jumbled sentences for  
your children (and, the, dog, man,  
The) and see if your child can put the  
sentence together correctly.

**More difficult = better!**

Level 1 - 5 House Points

### Level 2

**Make a Lego Clock.**

You can use paper and other  
resources to help with this one!

Level 2 - 10 house Points

### Level 3

Have a day off.

Have a lazy day. 🧘

Have a day where you stay in your

Pj's.

Have a day where you don't do  
everything you had on your list.

Tell yourself you're great, because  
you are!

Tell your children you love them.

Enjoy a non-productive day!

Level 3 - 20 house points

**Please Keep using Bug Club and Mathletics and worksheets off Twinkl.**
