#### Challenge 4

Pick a Star Wars planet/setting of your choice.

Write a description of it ensuring that you include the following: a metaphor, a simile, all 5 senses, personification and alliteration.

#### Challenge 5

Design a new lightsaber. Draw it, label it and then write 2 paragraphs describing it.

#### Challenge 6

##### Angles

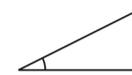

##### What angles can you find around the house?

Complete the following task, then see if you can find any angles in your home.

##### Angles

What does an angle measure?

1. An angle measures \_\_\_\_\_.
2. How many right angles can you find in this picture?

3. How many right angles make a straight line?

**Challenge Question:** Can you turn your body in 90 degree angles? How many degrees is it before you're back facing where you started?

### **Challenge 7**

**Head on over to the lovely Twinkl website where there are an abundance of Star Wars activities to do for free.**

**Print them off and save them for through the week.**
