

Year 5 Weekly Homework – WB 18th May

Topic: France

As we are learning French in school, the theme of the challenges this week is France. There are 9 challenges to choose from below. Please try and complete 6 challenges this week.

If you are not currently connected to Class Dojo and would like your connection details, please send an email to admin@simonside.newcastle.sch.uk and we will be able to get you connected.

Challenge 1

Maths

1. Can you find out the population of the UK and the population of France – what is the difference between the two numbers?
2. Can you find out the population of Paris and the population of London – what is the difference between the two numbers?

Challenge 2

Claude Monet was a famous French artist. Can you research some of his most famous paintings and recreate one in your own style? You can use paints or coloured pens/pencils.

Challenge 3

There are many famous landmarks in France, particularly in the capital city of Paris. Could you make/draw a famous French landmark?

Challenge 4

Choose a city in France and produce a tourist information leaflet encouraging people to visit this city. Some examples of cities are Paris, Nice, Marseilles, Lyon and Bordeaux.

Bordeaux

Lyon

Challenge 5

Find another French speaking country in the world and produce a fact file about it. For example, Canada or The Ivory Coast. You could include information about the population, flag and capital city.

Challenge 6

Find out the following words in French. You can display the words as creatively as you want. For example, you could draw pictures.

- Milk
- Cheese
- Chicken
- Ice-cream
- Bread
- Chocolate
- Ham
- Fish
- Cake
- Yoghurt
- Butter

Challenge 7

Bastille Day (or la fête nationale) is a national holiday in France. Can you find out the following about Bastille day?

1. On what day is Bastille Day celebrated?
2. Why is Bastille Day celebrated by the French people?
3. How is Bastille day celebrated in France?

Challenge 8

Can you use the picture below to help you to continue the story?

It came from the sea, calmly at first. An enormous, slithering tentacle slowly oozing its way over the top of the sea wall, exploring the metal and concrete shapes with suckers the size of your front door. Then, as more and more people came, and shrieks and cries of alarm filled the air, the creature became angry. All hell broke loose... In an almighty tangle of limbs and water and buildings and people, the beast came violently exploding out of the frothing water. The normally sturdy metal supports of the buildings groaned under the extreme weight of the gigantic tentacles crushing them. Panic. Complete panic set in. But where had the creature come from? What did it want? How could anybody stop it? There wasn't time for people to think. Only to run...

Challenge 9

Choose a French football team and create a fact file about them. You could include the name of their stadium and detail some of their players.

I have left the link below to the Y5 White Rose Maths Hub Home Learning Page, if your child would like to complete any of the lessons. For each lesson, there is a video to watch and an activity to complete (the answers are also available). It is not necessary to print out the activity sheet as the answers can be completed on a piece of paper. Remember your child does not need to complete every lesson; these are just additional resources if required.
