

Year 1/2 Weekly Homework: Week Beginning Monday 20th April 2020

Topic: I wonder...

Your home learning is your choice! There are 9 challenges to choose from below. Please try and complete 6 challenges this week.

A new home learning challenge grid will be uploaded each week.

Please remember to send photos or videos of all tasks that you complete to Class Dojo each day. Thank you!

Challenge 1: English

BBC Bitesize are going to be releasing daily lessons on their website from Monday 20th April. Please look at this website each day and click on the year group for your child (Year 1 or Year 2) and English. Please follow the lessons in date order.

www.bbc.co.uk/bitesize/dailylessons?fbclid=IwAR1U4S8SGt-rAZXwXAVISGx5_fCX1A-CCk4mmQ455CV7vy1vKMimFByg

At present, BBC Bitesize is using the book 'The Magic Faraway Tree' by Enid Blyton. We were reading this book in class each afternoon before school closed.

Challenge 2: Science

Watch and listen to the story, 'The Snail and the Whale' on BBC iPlayer.

<https://www.bbc.co.uk/iplayer/episode/m000cslw/the-snail-and-the-whale>

Write a list of and draw, paint or make models of the animals that the snail and the whale saw on their journey.

Challenge 3: PSHE

You might have seen Captain Tom Moore on television recently. He has raised a lot of money to help the NHS. He did this by setting himself a challenging goal and he worked very hard to achieve it.

Captain Tom's 100th birthday will be Thursday 30th April. Make a card for him to say not only 'Happy Birthday' but also well done.

Challenge 4: Art

Choose a piece of famous artwork and recreate it using household items.

You can search for famous artwork on this website:

<https://www.tate.org.uk/kids/explore>

Further ideas will follow on Class Dojo.

Challenge 5: Phonics/Reading

Can you earn a certificate this week by using www.Lexiacore5.com to read for at least 15 minutes each day?

Reading is the key to success in all curriculum areas.

Challenge 6: Maths

During school closures, our aim is to ensure that all children are as well-prepared as possible for their next school year. To teach Maths at Simonside, we use a scheme called White Rose Maths. This company has made four lessons per week available for use at home during school closures. Please click on the link for the year group that your child is in to find these:

<https://whiterosemaths.com/homelearning/year-1/>

<https://whiterosemaths.com/homelearning/year-2/>

Challenge 7: Geography

Look at a map or a globe or Google Maps. Find the land and the sea. On most maps, what colour represents land? What colour represents sea? Create a map of the world using these colours to represent the land and the sea. Further ideas of how you might

Challenge 8: Physical Education

Please try to keep active for at least 60 minutes each day. You could run, hop, dance, walk, climb, jog, skip, balance, stretch, hula hoop, do push-ups, sit-ups, planks, jumping jacks or ball skills. You could even try 'The Sock Ladder Challenge'.

Challenge 9: History

Throughout this half term we will be thinking about how houses and homes have changed over time. To begin this topic, I'd like you to look at and describe

do this will be on Class Dojo.

what the outside of your house looks like.
